The Parish Priest of the St.Lawrance Church is not willing to pay any part of the contribution on the ground that the sanitary arrangements carried out by the Board without his knowledge or co-operation under the orders of the District Health Officer South Kanara were not to his satisfaction and that the cleaning of the locality before and after the festival was done by the scavengers employed by him. Enquiry shows that some sanitary arrangements were made by the Board under the orders of the District Health Officer South Kanara in both the years 1945-and 1946 during the Attur St. Lawrance festival and that the Board incurred some expenditure in that direction. Hence it is but reasonable that the Church authorities should contribute at least half the actual expenses incurred.

I therefore recommend that the Government may be pleased to accord sanction for the recovery of half the actual amount spent in both the years from the church authorities.

2. The Panchayat Board is reported to have incurred an expenditure of Rs 62-4-0 in 1945 and Rs 68-12-0 in 1946 towards the cost of sanitary arrangements made by it during the Christian festival. The Board now requests that it may be permitted f 1 CF

to levy from the Church authorities a contribution equivalent to one-half of the expenditure incurred by it on Sanitary arrangements. The Collector also recommends the request. From the Statement on page 15 cf, it would appear that the Church authorities have derived an income of Rs 1815 in 1944, Rs 2214 in 1945 and Rs 2941 in 1946. This income is said to comprise entirely of votive offerings during the periods of festivity. Against these, the Church authorities are incurring comparatively only a small expenditure. The details of this expenditure were Rs 372 in 1944, Rs 1380 in 1945 and Rs 463 in 1946. One-half of the expenditure incurred on Sanitary arrangements comes to about Rs 30/- and this small amount the Church authorities cannot grudge to pay to the Panchayat Board. For orders whether the Panchayat Board may be allowed to levy from the Church authorities a contribution equivalent to one-half of the expenditure incurred by it on Sanitary arrangements during the festivals.
